

Fact Sheet

The Bowhead® Banner System.
Made to last.

The Bowhead® Banner System is a quality piece of branding material, engineered to exact specifications, with a high definition print area and a 5 year guarantee on the pole. As a promotional touch point it delivers high visual impact for brands, both indoors and out, and is effortless to set-up and take-down.

A patented product from Bowhead® International

- Feature:** 5 Year Guarantee
- Benefit:** Reduces capital cost & allows you to use the system time after time.

- Feature:** Patented Bungee System
- Benefit:** It ensures all parts are connected, don't get lost & makes it easy to erect.

- Feature:** Hi-Tensile Aluminium
- Benefit:** Allows the system to be used in harsh weather conditions & if required, in semi-permanent applications.
